ANNOUNCEMENT

COMMUNITY REPRESENTATIVE PROGRAMME | SHORTLISTED PARTICIPANTS

Young Climate Action Network (YOUCAN) is pleased to announce the shortlisted participants for the **Community Representative Programme.** The shortlist recognises individuals selected to participate as community representatives in the programme, reflecting the programme's commitment to bringing diverse community perspectives, lived experiences, and local voices into meaningful engagement and collective action.

Following the completion of the programme's selection process, the shortlisted participants are being published for official information and subsequent programme coordination. Further information regarding the next steps, participation requirements, and programme activities will be communicated directly to the selected participants by YOUCAN.

Next Steps

Shortlisted participants will receive further information from YOUCAN regarding the upcoming stages of the programme, including orientation, participation requirements, timelines, programme activities, and other relevant arrangements. Participants are requested to remain attentive to official communications and respond within the indicated timelines where required.

The publication of this shortlist serves as an official announcement of the selected participants at this stage of the programme. Inclusion in the shortlist is subject to completion of any applicable confirmation or participation requirements communicated by YOUCAN.

Acknowledgement

YOUCAN sincerely appreciates everyone who expressed interest in the **Community Representative Programme** and contributed their time, experience, and perspectives throughout the selection process. The level of interest reflects the importance of creating stronger pathways for communities to be heard and meaningfully represented.

We look forward to welcoming the shortlisted participants and working together to amplify community voices, strengthen inclusive participation, and advance meaningful, community-informed action.
